AKI DOT DAY

Celebrate International Dot Day with All Kids Included and Miami-Dade Public Schools Clinical Art Therapy Department!

Join us for a celebration of Peter H. Reynolds' *The Dot*; "a storybook for all ages" with themes of bravery, creativity, and self-expression which teaches that all works of art begin with a simple dot. Following a reading of *The Dot*, participants can "make their own marks" in both individual and community art projects led by professional teaching artists and art therapists.
